## Summer 2009 Newsletter

**Welcome** to the newsletter about upcoming events and interesting news happening at the Gallanough. Want more information? Stop by the library or go to our website at [www.gallanough.com](http://www.gallanough.com)

• **Summer Programs starting soon!** – Hey kids! What are you doing this summer? Want to travel the world? Play fun games like bingo and Jeopardy? Perform fun science experiments? Join us in one of our exciting summer programs. Talk to our staff or check out the Summer Program Flyer on our website for more information. Programs start Thursday July 2<sup>nd</sup>, 2009. Sign up today - it's not too late!

\*Please note that children 8 years old and younger must be accompanied by an adult or guardian.

Fun programs are not just for kids - we have programs for seniors, too! Learn about computers and the internet, or if you just want to have some fun, we have *Scrabble for Seniors*. Talk to our staff or see the Summer Program Flyer on our website for more information.

The best part is the summer programs are *free* to Gallanough members! Come in and sign up today!

• **Summer students at the Gallanough** – The Gallanough welcomes Will and Michele, our summer students this year! Some of you may remember Will from last summer. Will and Michele will be planning, co-ordinating and running the summer programs. When they have some downtime, they will also assist in the library. Say “Hi,” to them the next time you stop by the Gallanough.

• **Reading Program: Catch the Reading Bug!** – School’s out! Are you ready for some summer reading? Drop by today to sign up and receive your reading log. Pick any book you want to read or ask the librarian for suggestions. Once a week, bring your reading log to the Gallanough to get it stamped and to get a ticket to enter your name in a draw for a prize! You must read at least one book a week to receive a ticket for the draw. If you have any questions, our librarians will be happy to answer them! This reading program is for SK to grade 8 and runs from July 2 to August 20, 2009.

• **Tips for getting children to read** – In addition to signing up for the Catch the Reading Bug program, here are some tips to get your child reading:

- Read to your child every day
- Set a good example: read on your own and talk to your child about what you are reading
- Have books everywhere – in the car, in front of the TV, in the kitchen, on the porch

• **Book Club** – Did you know the Gallanough has a book club? The book club meets once a month from 6:30 pm to 8:00 pm. For more information, talk to the librarians or visit our website at [www.gallanough.com](http://www.gallanough.com) today!

• **Donations** – We depend on your donations. If you’ve never donated before, look at this as an investment into the quality of materials available at the Gallanough! We also take book, DVD and CD donations. If you’ve done some spring cleaning and found some books, DVDs or CDs you no longer want, donate them to us! Materials must be in good condition and adult books must be published after 2004, children’s books after 2000. The Gallanough has charitable status so we can give you a tax receipt for donations in excess of \$30 for Books, DVDs, CDs (and even cash) that meet the donation guidelines.
